

Courtney Mamuschia Joins RGB Spectrum as Director of Marketing

ALAMEDA, California – May 24, 2022 – RGB Spectrum, a global leader in AV, announces the appointment of Courtney Mamuschia to Director of Marketing. Courtney has more than 20 years of experience in the high-technology, business-to-business industry working with enterprise organizations to start-up ventures leading and executing marketing programs. Prior to joining RGB Spectrum, Courtney served as the Chief Marketing Strategist for Compass Integrated Solutions, a boutique marketing and communications agency primarily focused on supporting businesses in the physical security industry. Prior to that, Courtney led marketing for Verint, a global organization focused on customer engagement, for their Fraud and Security division where she was responsible for the strategic planning and ongoing execution and management of campaigns and programs to drive awareness and emerge into new markets.

“We are thrilled to have a talented and driven marketer with a global expansion background on board to grow the RGB Spectrum brand,” said Bob Marcus, CEO, RGB Spectrum. “Courtney’s knowledge in communications, branding and overall innovation will be key in expanding our position as the market leader in multi-domain video processing. We are excited to welcome Courtney to the RGB Spectrum team.”

About RGB Spectrum
